Repeating Programs

Story Times - enjoy stories, crafts, and more.

Virtual Math Club - a program that teaches kids that math can be fun! Activities include learning card games, glow stick geometry, and more!

Spice It Up - a 6 week program presented by the 4-H Extension Office where children will plant herbs and make a different recipe using fresh herbs each week including pesto pasta, sugar scrubs, mocktails, and more! Register online through the Extension Office:
<https://web.extension.illinois.edu/registration/?RegistrationID=23617>

Start counting your minutes on June 6, the first day of the program, and stop counting on July 31. Readers will turn their reading logs in for prizes at the END of the 8 week program.

Reading logs may be turned in between August 2-14

YA and Adult readers will earn entries (up to three) into a drawing to win prizes by keeping track of hours read on a bookmark.

Hours must be turned in between August 2-14 to be part of the prize drawing.
